

Reistill®

REISTILL'S LONG AWAITED

Introducing Our Latest Haircare Innovations

2026

Reistill®

WELCOME TO THE DYNAMIC WORLD OF HAIR STYLING

As we delve into the market overview, the projections reveal an exciting trajectory for the hair styling products industry. Anticipated to surge from a valuation of **US$ 23.5 billion in 2023** to a remarkable **US$ 39.9 billion by 2033**, the market is riding on a robust average **CAGR of 5.4%.**

The driving forces behind this growth are the evolving lifestyles and growing interest in hair styling products, which play a crucial role in maintaining hair health and achieving desired styles.

Recognizing the potential to elevate our brand, meet diverse customer needs, and set new standards, we proudly unveil our comprehensive **line of styling products in 2026**. Join us on this journey of innovation, where we strive to be better, bolder, and more attuned to our customers' aspirations.

REISTILL STYLING: KEY INGREDIENTS

MAGNOLIA EXTRACT

Unleash the Power of Magnolia Extract in Our Styling Series.

Infused with potent antioxidants from magnolia extract, our styling products offer a shield against environmental stressors like pollution and sun exposure. These antioxidants not only protect your hair but also contribute to a healthy scalp, nourishing hair follicles and preventing breakage.

KERATIN

Our latest styling series features the magic of keratin, the secret to smooth, resilient, and radiant locks.

Our innovative formulas harness the power of keratin, creating a visual transformation that goes beyond the surface. Experience the ease of detangling, effortless styling, and the added benefits of frizz prevention and split-end protection.
